Terms of Use

VHS Studio · Effective date: October 16, 2026

1. Agreement

These Terms of Use (the “Terms”) govern your use of the VHS Studio mobile application (the “App”), provided by Anton Dudar (“we”, “us”, “our”). By downloading, installing or using the App you agree to these Terms. If you do not agree, do not use the App.

The App is distributed through the Apple App Store. Apple’s Licensed Application End User License Agreement (the “Standard EULA”) also applies to your use of the App. Where these Terms and the Standard EULA conflict, these Terms prevail to the extent permitted by the Standard EULA.

2. The App

VHS Studio lets you record video with the camera and apply VHS-style visual and audio effects, and apply the same effects to photos and videos from your photo library. Results are saved to your device’s photo library or shared through the system share sheet at your request.

Some features are available for free, with limits — for example a limited recording length, a selection of effects and an on-screen logo. Other features require a PRO subscription, as described in the App.

3. Licence

We grant you a personal, non-exclusive, non-transferable, revocable licence to use the App on Apple devices that you own or control, for your personal, non-commercial purposes, in accordance with these Terms and the Standard EULA.

You may not copy, modify, reverse engineer, decompile or disassemble the App, remove any proprietary notices, or use the App in any way that is unlawful or infringes the rights of others, except as permitted by applicable law.

4. PRO subscriptions

The App offers auto-renewable PRO subscriptions on weekly, monthly and yearly terms. Prices are shown in the App before purchase and may vary by country.

- Payment is charged to your Apple ID account when you confirm the purchase.
- Your subscription renews automatically at the end of each period, at the same price and for the same term, unless auto-renewal is turned off at least 24 hours before the end of the current period.
- Your account is charged for renewal within 24 hours before the end of the current period.
- You can manage or cancel your subscription in your Apple ID account settings (Settings › [your name] › Subscriptions). Cancelling stops future renewals; access continues until the end of the period already paid for.
- If a free trial is offered, any unused part of it is forfeited when you purchase a subscription.

All purchases are processed by Apple. Refunds are handled by Apple under its own policies; we cannot issue refunds directly. You can restore previous purchases on a new device with RESTORE PURCHASES in the App.

5. Your content

You keep all rights to the photos, videos and sound you record or select in the App (“Your Content”). The App processes Your Content on your device only to apply the effects you choose; we do not receive, store or claim any rights in it.

You are responsible for Your Content and for having the rights and permissions needed to record, edit and share it, including the consent of people who appear in it.

6. Our content

The App, including its effects, presets, designs, graphics, logos and the VHS Studio name, is owned by Anton Dudar or its licensors and is protected by intellectual property laws. Videos you create with the App may carry an on-screen logo on the free plan; you may share such videos, but you may not remove, alter or obscure the logo by other means.

7. Device permissions

The App asks for access to your camera, microphone and photo library only for the features that need it. You can change these permissions at any time in your device settings; some features will not work without them.

8. Disclaimers

The App is provided “as is” and “as available”. To the maximum extent permitted by law, we make no warranties, express or implied, including warranties of merchantability, fitness for a particular purpose and non-infringement, and we do not warrant that the App will be uninterrupted, error-free or that results will meet your expectations.

Keep your own copies of anything important. We are not responsible for loss of photos, videos or other data stored on your device.

9. Limitation of liability

To the maximum extent permitted by law, we shall not be liable for any indirect, incidental, special, consequential or punitive damages, or for any loss of data, profits or goodwill, arising from your use of or inability to use the App. Our total liability for any claim relating to the App shall not exceed the amount you paid for the App or subscriptions in the twelve months before the claim.

Nothing in these Terms limits liability that cannot be limited by law, or your rights as a consumer under the laws of your country of residence.

10. Termination

You may stop using the App at any time by deleting it. We may suspend or end your licence if you breach these Terms. Sections 5, 6, 8 and 9 survive termination.

11. Changes

We may update the App and these Terms from time to time. We will post the updated Terms with a new effective date. Continued use of the App after changes take effect means you accept the updated Terms.
